

# Survivor Pool Week 10

brought to you by

**Good afternoon {{ contact.DB }},**

We have ourselves a CHAMPION folks! A massive congratulations to [@Shooter](#) for taking down the entire field of 38 players in our first Survival Pool. He's taking home a \$100 Amazon gift card.

With only 1 strike, at the time of writing, [@Shooter](#) benefited from [@nvscott7](#) whiffing at his final pitch last night. Interestingly, [@Shooter](#) only lost week 1 when he forgot to make a selection and was relegated to the Sunday night home team. Effectively, he really never made a bad pick for 9 straight weeks... very impressive play.

Would you like us to run a 2nd half of the year pool? What can we add to make it even better? Suggestions/feedback are always appreciated so please let us know via twitter or replying to this e-mail.

## Phillie Phanatic Phails!

Having won a crucial battle last week for [@GeoVeo](#), this mascot pooped one out yesterday as they had nothing going on in a 15-2 loss to the Cubs. Sadly, that meant the end to our #2 [@nvscott7](#)'s bid for the belt.

## Record setting!

A shoutout to the blue birds who rang up the Sox in Beantown for a franchise record setting 28 runs last night. Fans had to sit through an embarrassing inside the park Grand Slam as well as an 11 run 6th inning. 'Eeeks Alex Cora' - wonder how he slept?

That was a fun tournament and thank you to all the Ballhawks for your participation. Let's hope we can do it again with well over 100 players!

Top prize for the 'verified' member who wins the pool is a \$100 USD Amazon gift card!
