

Survivor Pool Week 1

brought to you by

Good morning {{ contact.DB }},

Week 1 is completed and as expected some slam dunk wins were chosen by many along with a huge upset and one amazing blowout game that nobody even selected!

Big Congratulations to [@Skubasteve](#) & [@nvscott7](#) for rising to the top of the [Leaderboard](#) with a resounding 9-2 Twins thumping over the Royals on Saturday! Insight and research... a friend working in the Twins organization perhaps??? We shall see if it keeps up this week lol.

Dog of the week

6 optimistic players waited all weekend for this disappointing Sunday night match. 5-0 White Sox. Ouchy, the zero runs makes it even worse. Bottom of the rankings these guys are.

Einstein Blowout

The 18-4 bashing over the Pirates was truly Nobel Prize worthy insight yet none of our Ballhawks felt the vibe as it goes unchosen.

Prom Queen

13 of 31 players benefited from this 2-1 nail biting win over the Reds. Joey Votto got the Jays yesterday however. Apparently nearly half the field felt this was the 'Lock of the week'. They were correct!

Week 2 picks will be available for perusing and selection in a couple hours. Good luck to all.
