

## Survivor Pool Week 2

brought to you by

### Happy Memorial Day {{ contact.DB }},

Week 2 was a challenge with a couple of delayed games Friday combined with 5 or 6 upsets. It was not easy to see the 'value/smart picks' but it was possible.

With two solid wins in a row [@nvscott7](#) maintains the #1 ranking position (13 runs). How did he do it? Brilliance or luck?? Here was his play: take the Rockies @ Nationals Friday knowing the game was going to be postponed. It was... that kicks in the 'Rain Out' Yanks @ Rays Sunday and by looking up the starting pitchers, the Rays at home, were heavily favoured and took the win 4-2.

#### Dog of the week

Bring extra poop bags for this dump of a walk. Mariners score 6 runs and offer the Division leading Astros a bagel (hopefully with a Starbucks coffee). 6 BallHawks take a 'strike down the middle' on this one.

#### Defenseless

Only 1 Jay fan counted on Vladdy and the boys to do what they do best. Who needs defense when you can come back from down 6-9 to win 11-10. Huge run score for the birds of the north. That Ballhawk...[@GreggyT](#). Well done!

#### Research Research

The scholastic Pool player would have been lighting their cigar and sipping cognac after the unfolding in Tampa. Two games were 'Rained Out' Friday so if you selected either of those pre lock time you'd know the Rays v Yankees at the 'Trop' was a solid selection. Win earned!
