

# Survivor Pool Week 3

brought to you by

## Good Morning {{ contact.DB }},

Wowzers players!!! We had a perfect weekend going with 28 of 28 selecting correctly up until late Sunday night when the Cubs failed to take down the Cardinals in 11 innings. It was super costly for those people that chose the Cubs or didn't choose at all and were defaulted the Cubs (as the Sunday night home team).

There's a new #1 leader, [@ChrisHughes](#), with a brilliant rogue Red Sox pick, instead of the very popular Yankees game, as the Beantowners crushed the A's 7-0. Yankee winners only benefited with 3 runs.

### Dog of the week

The 'strike outs' are on the hands of Cubs Manager David Ross. Don't expect [@Warbie](#) and [@Boots](#) to be to friendly this morning around the water cooler. "Your're outta here", strike 3.

### Easy Money

Guys, guys, guys... this was a massive slam dunk which 17 of 38 recognized and lapped it up like a kitten at a cream bowl. A win's a win even if no ground was made on competitors.

### Big Kahuna

The Nationals had a offensive feast at the Reds expense Saturday racking up 10 runs towards the victory. This pick went untouched by the field.
