

Survivor Pool Week 6

brought to you by

Good morning {{ contact.DB }},

Tampa Bay fared well on the diamond compared to the ice this weekend. [@Shooter](#) was temporarily in 1st place until the clever [@nvscott7](#) matched him with a win and 4 runs to remain 1 run in the lead. The Rays were a clear bettors favourite not heeded by [@BlackBullet](#) who has fallen from 3rd to 10th.

HOT WATER COOLER TOPIC: Only 2 players remain with only 1 strike! 5 batters were K'd by taking the Braves in last nights game, ouchie. The field is down to 12.

Dog of the week

Really... with Garrit Cole on the mound Saturday the highest scoring team in all of MLB managed to rustle up a whopping ZERO runs against the Astros. This was very costly to particularly [@Stuball12](#) who'd got K'd by this dismal performance.

The Scholars Choice

6 of 19 contestants chose this game as no one likes playing in the Trop! Brainiacs and research keeps them chugging along. No surprise they are all in the Top10.

Off the Radar

Winning 6-3 Friday, not a single soul took this easy to spot mismatch. The eastern variety Sox have been on a tear lately winning 7 in a row. Included, as a choice, in this week let's see who 'bites' as they take on the Cubs in the Windy City.
