

## Survivor Pool Week 8

brought to you by

### Happy All-Star week {{ contact.DB }},

It's sad to report that we lost another batter this weekend in [@GeoVeo](#) ☹️. If you've been following the game offerings of late you may have noticed we've 'tightened the screws' since week 7 which was easier to pick a winning team than get a date at Hugh Hefner's old PB mansion.

**A two horse race!:** With a distinct one strike advantage, [@Shooter](#) (-400), is the heavy favourite in Vegas to outlast [@nvscott7](#) (+305) as a fastballer named 'Dirty Darryl Dozen' takes the mound for week 12. Expect some close games as obvious blowouts have been left off the card.

#### Rotten Fish Special

Nothing savoury or sweet about this dish as [@GeoVeo](#) left the diner with serious stomach pains and a later case of night sweats. 'Outta here'. 2-1 Phillies.

#### Comeback King

[@Shooter](#) should be sending a gift basket to Luck Voit after he hits a 3 run homer to tie the game in the bottom of 6. A very near swing and miss for our 1st place contender.
